

Reporting to: Project Architects / Associate Directors
Purpose of Job: To assist project teams in the development of architectural design and production on a diverse range of projects
Qualifications: First degree with RIBA Part 1 exemption, or another equivalent standard.
Diploma in Architecture with RIBA Part 2 exemption

LTS Architects are an award-winning studio of designers based in a quiet mews off Bermondsey Street. The practice has extensive experience working on a diverse body of projects, currently including the Science Gallery, a cultural space in the heart of Guy's Hospital campus, as well as a range of exciting high-end residential and larger mixed-use developments.

We are currently seeking a talented Part 2 architectural assistant to join our team. The right candidate will have the following combination of skills and experience:

- + A minimum of one years' professional experience, more experience is preferential
- + Excellent three-dimensional modelling with proficiency in 2D and 3D CAD software
- + Excellent graphical representational and visualisation skills
- + Knowledge of graphics software, such as Adobe InDesign, Illustrator and Photoshop is essential
- + Knowledge of V-Ray, SketchUp, AutoCAD and Rhino would be advantageous
- + Experience in architectural detailing and preparation of production information
- + Proficiency in Revit is desired

Professional experience in residential development is advantageous.

Candidates should be highly motivated, with excellent communication and organisational skills in addition to excellent design focus, an eye for detail and a willingness to learn.

The role will consist of a diverse scope of responsibilities across all stages of architectural design and production, working under the supervision of project architects and directors. We have a number of jobs on site at present, and there will be opportunities to gain on-site experience which can be furthered into Part III accreditation.

Salary:

+ Dependent on skill set and experience

To apply for this role, please submit a CV and an A4 sample of your portfolio to cv@lts-architects.co.uk and state 'Part II Application' along with your name in the subject heading. The file size should not exceed 10MB
